Introduction

The Complaint Policy was reviewed and updated in November 2024 to ensure compliance with the new Housing Ombudsman Code and approved by management committee.

Trident Group (SRHC's managing agent) co-ordinate and manage all complaints. Complaints are recorded and acknowledged within 5 working days of receipt; a customer will receive an acknowledgment letter which will include the following:

- Complaint reference
- Details of the Responding Officer who will be investigating the complaint
- Timescales for the complaint response
- Requests should any reasonable adjustments be required

A formal complaint is investigated within 10 working days of the acknowledgement being sent in line with the policy, however extension can be granted on occasion, for example if actions or information is required from external parties who would be unable to meet the initial response deadline. The investigation report will be presented at the next available Management Committee meeting. Decision in writing to complainant within 7 days of meeting.

If the complainant is unhappy with our Stage 1 response, they have the right to escalate the complaint to a Stage 2 complaint. This is allocated to an appropriate officer to review within 5 working days and a final response will be provided to the complainant within 20 working days.

All letter templates are based on examples and guidance provided by the Housing Ombudsman Service and have previously been reviewed at compliance and internal audits. DTP conducted a complaints Review in October 2023 which provided assurance that we met the requirements of the HOS Complaint Handling code.

Complaint Handling Code - Self-Assessment

The Complaint Handling Code became statutory on 1 April 2024, meaning that landlords are obliged by law to follow its requirements. For the first time, this means landlords will need to submit their self-assessment annually to the Ombudsman.

For landlords like South Road Housing Co-operatives with less than 1,000 homes and a year end in December 2024, this will be 25th March 2025.

The self-assessment must be made available to residents.

We have completed the Self-Assessment (**appendix 1**) as required and provided details to confirm our compliance with the new Housing Ombudsman Code.

Once approved by Managing Committee and submitted to the HOS we will arrange for copies of the Self-assessment to be published on the website.

Complaint Policy

As a result of the requirement of the Complaint Handling Code we have also reviewed and updated the complaints policy (**appendix 2**) so we are in line with the housing Ombudsman when dealing with complaints. Once approved this will also be made available to the residents.

Member Responsible for Complaints

The Housing Ombudsman's Complaint Handling Code set outs that it is a statutory requirement for a scheme member landlord to appoint a member of the governing body that has lead responsibility for complaints. The role is responsible for ensuring the governing body receives regular information on complaints that provides insight to the governing body on the landlord's complaint handling performance and to support a positive complaint handling culture. Nicole Madourie, Chair of Managing Committee, is SRHC's Member Responsible for Complaints.

Conclusion

We are working with the management committee to review and improve the services SRHC residents/members receive, this includes the way in which we handle and manage complaints.

SRHC now have Trident Group's support to handle and manage all complaints for the organisation in accordance with the guidelines set out in the complaint policy.

The team are working on improvements to the Complaints management system in recording, reporting, and analysing complaints data and using this and complaint case studies to make changes to practices and procedures and for organisational training and learning. .
